Re: A-83/84/85-18 Shipyard Associates, L.P. v. City of Hoboken
Supreme Court Docket # 082446

Dear Mr. Coakley and Mr. Maraziti:

Thank you for your detailed joint response to the Court's letter dated May 7, 2020, inquiring into the status of the underlying matter during the pendency of the appeal, and whether the parties had settled the matter.

I write on behalf of the Court to ask respectfully that, if the situation presents itself in the future, you advise the Court when parties are actively moving toward settlement of a pending appeal. Historically, when this has occurred, the Court has found a way to facilitate meaningful discussions to resolve complicated disputes rather than proceed to oral argument.

Sincerely,

A handwritten signature in blue ink that reads "Heather Joy Baker".
